Just Suppose!

The Following is a Message of Light! Join us as we give time and energy to labor in the details of the Word of God and the move of the Holy Spirit! It applies to the lives of mankind everywhere upon the earth. The development of our website and the prophetic proclamations dispersed throughout it are relevant to the move of the Holy Spirit in the earth today!

Just Suppose!

Just Suppose You were Targeted for Martyrdom! We are active seekers of the Truth of God's Holy Word. The "Just Suppose" message reprint near the bottom of this page below was forwarded to my email Inbox as part of the endless chain of random messages sent to me on a daily basis. It is an article of potentially awesome power! There was no signature to the article as to its authorship. There are no dates or records of origin. The article is not my authorship, yet it contains some powerful truths. "It is time for a "Changing of the Guard"... From Darkness to Light! It is time to take back that which has been stolen by extremist spirits and humanistic powers of darkness! We are now in a year of new beginnings...2008 We are hearing voices resound across the nation about CHANGE for our nation. If you have been tuned to the political campaigns, you have heard much rhetoric regarding Change. It is the "buzz" word heard loudly and repeatedly by the candidates. God's apostles and prophets have been speaking and writing about the numeric symbolism and figurative implications for the year 2008 long before the dawning of the New Year. You will find many places in the pages of the City of Lights where we have documented these awesome principles. They are all about the moves (changes) God has revealed to come upon the church and the earth. They are changes involving God's sovereign institutions of families, churches and civil governments.

In January of 2007 the Holy Spirit released messages regarding God's vision and projected move of the Holy Spirit preparing the church for 2008. Listen to the audio's of "Jubilee" and "Double Portion."

**Be sure to download your copy of these Prophetic Audios.
Jubilee was recorded on 01-07-07 the 1st Sunday in 2007.**

Double Portion was recorded 01-09-07

**Prophetic words of knowledge and wisdom stand the test of time.
The City of Lights website has been in visionary developmental processes beginning in the year 2003.**

Page 2 Just Suppose

There will be much shared with you as this year 2008 progresses. A comprehensive manual of the vision was distributed widely beginning in February of 2005. You are on the "cutting edge" of one of the most dynamic moves of the Holy Spirit! You are invited to respond to the audio messages and become a part of the move to take back our Nation for Righteousness in the Lord Jesus Christ. Politicians will not deliver what God has set in place for His people to accomplish! Until the moral and righteous Light of Life is once again established in this nation, there will not be solutions to the diseased status of our country.

It is God through Jesus Christ Who is the Healer and the Deliverer! He is the Head of the Church Body. Father God is bringing strength into His body to walk victoriously! You will see and hear the spiritual messages of awesome things of God throughout this year! The Internet will become a realm of unique power for the saved and the unsaved. It will take commitment and action to experience this new thing God is doing through His City of Lights. You can start by becoming a *TEAMPower* participant of the World Wide Web "Virtual City of Lights" Community
www.virtualcityoflights.com

Please contact me in context to this move of the Holy Spirit. Hear what the Spirit is saying to the church. God's prophets are proclaiming His willingness to do great and mighty things for those who will defend the Faith... to exercise faith requires courage and action!

Apostle James puts the message of "Just Suppose" in this way...
"You see that a man is justified (pronounced righteous before God) through what he does and not alone through faith (through works of obedience as well as by what he believes)." James 2:24 AMP

Apostle Paul puts it this way...

11 For no other foundation can anyone lay than that which is [already laid, which is Jesus Christ (the Messiah, the Anointed One)].

12 But if anyone builds upon the Foundation, whether it be with gold, silver, precious stones, wood, hay, straw,

13 The work of each [one] will become [plainly, openly] known (shown for what it is); for the day [of Christ] will disclose and declare it, because it will be revealed with fire, and the fire will test and critically appraise the character and worth of the work each person has done.

14 If the work which any person has built on this Foundation [any product of his efforts whatever] survives [this test], he will suffer the loss [of it all, losing his reward], though he himself will be saved, but only as [one who has passed] through fire.

1 Corinthians 3:11-15 AMP

Polycarp had a vision of his martyrdom. And while he was praying he fell into a trance three days before his arrest, and he saw his pillow being consumed by fire. And he turned and said to those who were with him: "It is necessary that I be burned alive."

1. Christians have the biblical eyewitness testimony of the Lord's martyrdom in the work of the cross.
2. Christians have biblical testimonies of the martyrdom of the first century church's apostles, bishops, deacons and saints.
3. Christians have the recorded historical testimonies of the 2nd and 3rd century Church Apostolic Fathers!
4. Christians have unlimited access to news records of the advances of martyrdom throughout history and full coverage of martyrdom in today's current events.

Take time to listen to the Martyrdom of Polycarp. It is time for Christ's Body to unite and turn the destiny of our Nation to the purposes of righteousness! Listen to the voice of the Holy Spirit as the Martyrdom of Polycarp is told. Hear what the Spirit is saying to the Churches! It is time to let your Light shine!

Do not become as the five foolish virgins! (Matthew 25:1-13 AMP)
THEN THE kingdom of heaven shall be likened to ten virgins who took their lamps and went to meet the bridegroom.
2 five of them were foolish (thoughtless, without forethought) and five were wise (sensible, intelligent, and prudent).

Page 4 Just Suppose

3 For when the foolish took their lamps, they did not take any [extra] oil with them;

4 But the wise took flasks of oil along with them [also] with their lamps.

5 While the bridegroom lingered and was slow in coming, they all began nodding their heads, and they fell asleep.

6 But at midnight there was a shout, Behold, the bridegroom! Go out to meet him!

7 Then all those virgins got up and put their own lamps in order.

8 And the foolish said to the wise,

Give us some of your oil, for our lamps are going out.

9 But the wise replied, There will not be enough for us and for you; go instead to the dealers and buy for yourselves.

10 But while they were going away to buy, the bridegroom came, and those who were prepared went in with him to the marriage feast; and the door was shut.

11 Later the other virgins also came and said, Lord, Lord, open [the door] to us!

12 But He replied, I solemnly declare to you, I do not know you [I am not acquainted with you].

13 Watch therefore [give strict attention and be cautious and active], for you know neither the day nor the hour when the Son of Man will come.

It was the "seed" of inspiration that magnified in my spirit and resulted in the creation of this prophetic newsletter issue.

Just Suppose!

JUST SUPPOSE those who don't want God in our public schools would take their kids out instead of those who DO want God in their kids lives...and...

JUST SUPPOSE that at every ballgame, graduation, prom, etc, someone who has had enough of anti-historical court decisions had the guts to start reciting the Lord's Prayer loudly, and others joined in, then more, until hundreds participated.

JUST SUPPOSE this spread all over our land until this became standard practice in hundreds of schools, then thousands, then tens of thousands.

Just what would local school boards do? Expel half the student body?

(They need their jobs and federal funding far too much to do that.)

What would a Federal district court do? Order hundreds of nonviolent, decent minors jailed? Or thousands? Just what would the Supreme Court do about it? Issue more edicts? What if millions decided the Supreme Court was out of its league and said, "So what?"

JUST SUPPOSE hundreds of brave, school board members, local judges, prosecutors, and others, each in their own area of authority, refused to intervene, realizing that we have already tried it the other way, and the

result was a modern-day Sodom and Gomorrah of immorality and senseless violence.

JUST SUPPOSE this then spread next into classroom after classroom, and either a brave student or a brave teacher started the Lord's Prayer (or Psalm 100, or a Bible reading, etc.) each morning, until hundreds of thousands stood up and did their part and stopped cowering before the destructive, God-hating, secular attitudes of the pagan minority who parrot the media line.

JUST SUPPOSE every God-fearing Christian participated-peacefully, nonviolently, but firmly and continually. During the Civil Rights battles of the 60's, some of the black people decided they had enough and stood up to the system, a few dozen here, a few hundred there and eventually, the whole country heard, and repented, and changed. Racial repression was an evil whose time was over. But now, there is another battle and the stakes are even higher. The future of all children, white, black, and otherwise, is at stake. No other country on earth allows a tiny minority of impractical anti-religious bigots to censor their people's right to free religious expression. Even Russian public schools show videos of the life and teachings of Jesus now. We tend to get exactly the kind of government we deserve. If you make a line or a graph, you will see that the exponential increase in public school violence, pregnancy, and foul language all started at exactly the time the Supreme Court threw prayer and Bible reading out of the schools. We told God we didn't need Him, and the results speak for themselves.

JUST SUPPOSE hundreds of Christians passed this message on to all their friends, leaders and contacts.

JUST SUPPOSE hundreds of churches, organizations and ministries passed this message on to their constituencies with a request to reprint, repost and repeat it wherever possible.

JUST SUPPOSE you are a lighthouse. Once upon a time, the Church was the moral conscience and spiritual lighthouse of the nation. Now, most congregations are impotent, pusillanimous* minor-league social welfare agencies or mutual comfort societies with no impact on the world around their little enclave.

**pusillanimous=lacking courage and resolution*

JUST SUPPOSE you forwarded this to your friends...

JUST SUPPOSE it made a difference.

(Side note: It is time for God's people to break the bonds of apathy and indifference toward the principles of the kingdom. There are many peace actions that can be taken. Learning to extend the Kingdom in demonstration of the power of the Holy Spirit as Jesus instructed is the first place for each saint to start. The spiritual truths and actions of grace and faith will turn this nation around.

Watch for each issue of the Prophetic Voice Newsletter for exciting spiritual food and insight to the LIGHT of LIFE.
GREAT things are just ahead! Make preparation for them by feeding on His Word and working the works of the Kingdom!

*The Martyrdom of Polycarp is recorded from documents in "The Apostolic Fathers" 2nd edition, printed by Baker books April 1994. Translated by J.B. Lightfoot and J.R. Harmer; edited and revised by Michael W. Holmes.

This account bears testimony to a growing challenge confronting the church around the middle of the 2nd century. (A.D. 155-160) Because of its belief in One God... that being the Living God, creator of heaven and earth...the church found itself engaged in a struggle with the Roman state which permitted no compromise and from which eventually only one of the two would emerge victorious. The steadfastness of Polycarp's faith in Christ and the fearlessness with which he faced death became a model for the many believers who found themselves in similar circumstances during the course of the next hundred and fifty years.

In A.D. 313, Constantine released an edict known as the Edict of Milan which brought an end to the conflict and victory to the church.

We can take the lesson and magnify it in the earth today for the generation today and the generations to come....

To exercise faith requires courage and action!

That is good News! God said, DO NOT FEAR!

2 Timothy 1:7 AMP

7 For God did not give us a spirit of timidity (of cowardice, of craven and cringing and fawning fear), but [He has given us a spirit] of power and of love and of calm and well-balanced mind and discipline and self-control.

03-24-07: BLOW the TRUMPETS! Just received this in my email today!
Another *Prophetic Voice* joins the ranks of what you witness on this webpage in its writings and in its Audio Sound Files!

"Give Me your children. Give Me one child, and I will give you ten thousand swords.

Hannah, would you give me a Samuel?" If you would, God says He would annihilate the Eli-controlled priesthood. God says, "Hear My voice one more time, what I shall do, I shall bring about dead bones, and I will make them an army--your children, your grandchildren, and those yet unborn inside of you. Every form of spiritual barrenness will now be locked. This that you call a revolution," says the Lord, "starts with the same words, 'REV.' They want revival. A revolution must take place before there is a great revival." 03-09-07 Kim Clement Anaheim, CA
