

The Vanguard Leader

The Lord Jesus is a Vanguard Leader...

Those who find their lives in Him are privileged to become Vanguard Leaders also! Vanguards point the way for others. They run forward to scout the future. They advance ahead of others to see what awaits the main Body of Christ. As forerunners they have the ability to live in the present and look into the future.

They lead others to move in the Holy Spirit in preparation for Renewal, Revival & Restoration.

The Vanguard leader is courageous to stand with iron-like convictions in times of uncertainty and change in culture, philosophy, theology and immorality. John the Baptist, ministered in a context of spiritual and moral bankruptcy similar to conditions today. Being anointed from birth with the Holy Ghost, he had conviction of his calling. Conviction starts with the Word of God, not human thoughts, culture or experiences. As apostolic-prophetic servants and Vanguards to the Body at large, we have responsibility to minister to civilization of multiple uncertainties.

Society, today, needs the iron-like convictions of leaders like John the Baptist. How do we do this? Answer: We follow principles that reflect the Truth of the Word of God. These principles need to be articulated as convictions that people can apply in life's circumstances.... Convictions that harmonize with the message of the Word oppose man's lower flesh nature of basic desires.

A conviction is a scriptural principle we purpose to obey whatever the cost!

A conviction never changes! A conviction allows absolutely no turning or compromise! Vanguard leaders need to articulate the absolutes of the Bible to society that has lost its way! Society (the world systems) have no convictions for family, values, morality, honesty or integrity. As Vanguards, we need to hold to convictions God has given to us. These are foundational principles covering the Word, holiness, and the vision of Christ for His Body! Apostolic teaching speaks to such societies or culture of the lost and to the scattered fallen away people of God.

Vanguard's are to teach Christ's Kingdom Culture!
